I object to what the office of health and Human Services has done in making contraceptives so available under all insurance plans, with NO CO-PAY!!! Where is my right, or anyone with a moral conviction, who believes random birth-control is WRONG???? The morning-after pill is horribly dangerous for women to use at random. Where are the rights of parents to prevent our children from harming themselves by making such unwise choices?

Why is this allowed to have no CO-PAY, when just about everything else is not so privileged?

I'll tell you why ----- It is a ploy of the liberal agenda!! Well I OBJECT TO HAVING PEOPLE WITH MORAL CONVICTIONS FORCED INTO HAVING TO HELP PAY FOR THIS !!! WHERE ARE THE CONSCIENCE PROTECTIONS IN THIS??? Mrs. Anne Dardis
